Overview

This is a questionnaire schools will find very useful to complete with their own children and young people to gain an overview of thinking in the school community.

Climate Questionnaire

“Another world is not only possible; she is on her way. On a quiet day, I can hear her breathing.” – Arundhati Roy

1. What do you understand about the phrase climate change/crisis?
2. What do you cover in the school curriculum re climate?
3. Have you taken any action in the school to address climate change issues?
4. What has been the impact of any action you have taken?
5. Are you aware of global issues around climate change?
6. Are you aware of any local initiatives re climate change?
7. What would you like to see in the school curriculum around these issues?

8. How can the school further support your Voice and actions re the climate change agenda?

9. Would you like to work with other schools in the county to raise awareness and what form could this take?

10. Is there anything you would like to see tackled in your local area to improve the environment?
