

Climate Change Art Workshop

This workshop will provide ideas and inspiration for you to develop artwork that can contribute to an art installation with and by Hampshire schools and in your own school. It will also enable you to communicate your school's message and to raise awareness about climate change and environmental issues.

Learning Outcomes:

- Awareness of pressing environmental topics concerning climate change.
- Appreciation of art skills and artists around the theme of Climate change.
- Development of artwork to respond to the theme and trying out techniques and materials to develop work for a County installation.
- To be ready to contribute to a County art installation and develop a school response.

Date/time: December 10 2020 9:15 – 12:15
