Artefact and topic boxes available to borrow from the RE Centre

In addition to a comprehensive library of RE resources available to subscribing schools free of charge, there is also a wide range of artefact and topic boxes available to enrich your religious education.

Each box contains artefacts, stories, visual resources, posters and planning advice to ensure you make the most of these valuable resources.

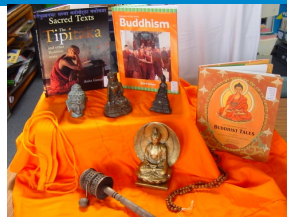

For a loan fee of £25 (for subscribing schools) for three weeks' loan, with **free delivery and collection**, why not book some of our topic boxes to enhance your RE? Non-subscribing schools may also borrow these boxes, with a £35 supplement per box.
